# Contribute to the Circular Economy

Integrating our payment solutions into your business strategy can contribute to your environmental sustainability targets and have a positive impact on the environment.

When you choose a Technology Rotation solution from Dell Technologies, you are contributing to the circular economy through these processes:

**REFURBISHMENT & REMARKETING**

Up to **95%** of returned hardware is refurbished for further use after data sanitization, gaining a second life<sup>2</sup>

**RESPONSIBLE RECYCLING**

The remaining are recycled in adherence with all applicable international, regional, national and local laws and conventions<sup>2</sup>
